Hi there! I am a backend tech lead and software engineer with 8 years of professional experience. I design software architecture on business need, build distributed, robust and fault tolerant services, manage, hire and lead teams.

Work experiences

total - 8 years

Tech Lead

Align Technology inc. | Full-time | 2023 - present

Sr. Software Engineer

2020 - 2023

Designed and developed backend systems for customer-face applications. Enhanced processes within cross-functional team (test generations, contract first, code scanner pipelines), hired new teammates, handled scrum activities, OKR and 30-60-90 plans for my team.

Founding Engineer | Tech Lead

Oneum | co-founder | 2024 - 2025

Designed solution from tech standpoint based on DDD. Built design model, hired team and developed chat-bot based on OpenAI LLM models with messengers and CRM integrations.

Lecturer

GeekBrains | Contractor | 2020 - 2021

Conducted lectures on System Architecture, Java and Spring Framework.

Java Developer

Business Environment | Full-time | 2019 - 2020

Developed the backend for an educational online-platform. Designed microservice architecture, task plans and code reviews.

Junior Java Developer

E-COM | Full-time | 2019 - 2019

Developed the backend for the document management system for retail.

Performance Test Engineer

Aplana Software | Full-time | 2017 - 2019

Made scripts in C, servlets and Stubs in Java. Created test cases, carried out load testing for banking software and analysis of the results.

Skills

Hard

Solution Architect, DDD
System Analysis, Java, Spring,
PostgreSQL, S3, Redis
Kafka, RabbitMQ, Kinesis
Docker, k8s, Terraform
Microservices, AWS, Heroku

Soft

Release Management
Project Management
Team Management
Product Development Lead
Agile Delivery Coordinator

Education

PhD. System Analysis

HSE, Moscow, Russia
2022 - 2025 (circa)

MSc. Business Informatics

HSE, Moscow, Russia
2020 - 2022

Exchange, Cyber Security

BTU, Cottbus, Germany
2019 - 2020

BSc. Computer Science

HSE, Moscow, Russia
2016 - 2020

Languages

Russian - native

English - advanced

German - intermediate
